2. **Governing Terms and Conditions:** The terms and conditions set forth in this Order, along with any master, supply or other agreement, if any, previously entered into by the parties that purports to govern transactions between ABRASERVICE and Supplier with respect to the Goods and Services ("Master Agreement"), incorporated by reference herein, shall together constitute the sole and exclusive agreement between ABRASERVICE and Supplier and together shall supersede all other prior agreements or commitments, whether oral or written. Acceptance of this Order is expressly limited to acceptance of the terms and conditions set forth in this Order, excluding such terms and conditions which are inconsistent with the terms and conditions of a Master Agreement, if any. ABRASERVICE hereby gives notice that it objects to and rejects any terms or conditions contained in any document which has been or may in the future be supplied by Supplier to ABRASERVICE which are in addition to, different from, inconsistent with or attempt to vary any of the terms or conditions of this Order whether such terms or conditions are set forth in Supplier's tender, proposal, order acknowledgement, invoice or otherwise. ABRASERVICE's acceptance of the Goods and/or Services shall not be construed as an acceptance of any terms or conditions contained in any such document. If this Order is deemed to be an acceptance of a prior offer by Supplier, such acceptance is conditional on Supplier's assent to all the terms and conditions set forth in this Order.
3. **ABRASERVICE's Material:** All of ABRASERVICE's tooling, goods and other property in Supplier's possession shall be held by Supplier as bailee for hire for use only in filling ABRASERVICE's orders, be kept separate, and be clearly identified by Supplier as ABRASERVICE's property, and shall be fully insured by Supplier. Notwithstanding any such inspection, all Goods are subject to ABRASERVICE's final inspection and acceptance on delivery. If rejected, the Goods will be held for disposal at Supplier's risk and expense. No inspection, acceptance of any part or all of the Goods or payment shall relieve Supplier from full responsibility for furnishing Goods conforming to the requirements of this Order, nor prejudice any claim, right or privilege ABRASERVICE may have for defective or unsatisfactory Goods, delays in delivery or other non-compliance with this Order.

10. Warranty: In addition to any other express or implied warranties, Supplier expressly warrants that: (a) it has good and marketable title to all Goods furnished under this Order and the right to transfer title to such Goods to ABRASERVICE free of all liens and encumbrances; (b) all Goods supplied and/or Services provided shall be and be performed in accordance with all applicable specifications, drawings, descriptions or samples furnished and in accordance with all other requirements of this Order and the representations of the Supplier; (c) all Goods shall be of new and first class material and workmanship, shall be fit and suited for the purpose and use contemplated by this Order, and shall be of merchantable quality; (d) unless a longer period is specified elsewhere in this Order, all Goods and Services furnished shall be free from defects in material, design or workmanship for a period of 12 months from the date that, in the case of Goods, the Goods are used or put into operation by ABRASERVICE, or in the case of Services, for a period of 12 months from the date that the Services are completed; (e) all Services shall be performed in a workmanlike manner and in accordance with the highest standards for such Services in the steel making industry; and (f) all computer software, hardware and firmware supplied by the Supplier shall be free of any harmful programs or data that disrupt the proper operation thereof, and will perform the functions and meet or exceed the performance criteria for such hardware, software or firmware described in this Order. Supplier shall immediately notify ABRASERVICE in writing if the supply of the Goods and/or performance of the Services will be delayed, indicating the cause and extent of the delay, but this shall not relieve Supplier of its obligation to deliver and/or perform as required by this Order.
